We are excited for your arrival, Please arrive Sunday, by 4:30 pm. After our "get acquainted dinner" out on the houseboat, Gordy and the other instructors will take you and the other students boarding.

Monday morning after breakfast, please be at the dock by 8:45 am, for a full day of wakeboarding. A lunch break is taken at noon and riding continues until 5:00pm. Evening activities include; swimming at our favorite swimming hole, training on trampoline, movies, and video-games. Most people choose to be in bed by 10:30pm to rest up for another big day of wakeboarding.

Wednesdays we only wakeboard for the morning session to rest sore muscles. Some weeks on Wednesday afternoon Fort Fremont Marine will be hosting a grassroots wakeboard tournament that is open to all levels. The entrance fee is \$25, and includes a free T shirt. On Wednesday afternoons of non tournament weeks, we will head over to the crystal river for a very fun whitewater canoe trip. The cost of the canoe trip is \$14.
